APRIL 2025

MISSION STATEMENT

St. Martha School strives to provide students with solid Catholic moral values, high academic standards, and a strong sense of community.

Dear Parents,

Spring is the season for growth and new life. In early spring, much in nature is dormant or dead. As weeks go by, nature bursts into new life.

The Lenten season has traditionally been a time for reflection, a time to recognize our own imperfections, a time to make amends and to seek forgiveness through prayer and service to others. When Easter finally dawns, do we breathe by a sigh of relief and get back to “normal” living?

This year, let’s think not less about Lenten activities, but more about Easter-the joy and hope that it represents. Without Easter, without the Resurrection, we would face a future of darkness rather than the promise of eternal life. Easter is truly a time of celebration! As we see signs of renewed life all around us in nature, we realize that we can share in that renewal.

What a sign of God’s love we experience with the Resurrection! How best can we respond to that love? Can we express our own love for God and neighbor in visible ways? Can we model for our children the happiness of spirit which comes with faith? Can we renew with our children the promises made at Baptism?

We are truly Easter people. Together, as parents and teachers, let us face the future with its challenges and its opportunities with renewed faith and hope as we voice our joyful “Alleluia.”

Happy Easter to all! May our lives, because of our faith in Christ as the Son of God and faith in His resurrection from the dead, bear witness to His embracing love, no matter how hard or difficult it may be at times.

THANK YOU FOR COMING TO OUR PTO General Meeting and OPEN HOUSE.
