Dear Parents,

Our first and second day of school went off to a good start. Thank you so much for your help and support. Classes here at St. Martha began smoothly. This shows a fine beginning of what should be a productive school year. We are glad to have you with us this year and we want to assure you that we will do our very best to help your child experience academic, social, and emotional growth. With your help and cooperation, this should be an excellent year.

As the year progresses, we encourage you to call the school office for any questions and inquiries. If your question deals with in class activities, please email the teachers. If it deals with the over- all program and activities, please call me directly. If it deals with financial matter, call Ms. Debbie. We'll also provide you with information about events and activities through our newsletters.
