Dear Parents,

I can't think of anything that's coming up that could get us excited... except 4 weeks from now school will end & your summer vacation will begin. As we get closer to the end of the school year, I would like to thank all of our wonderful families and teachers for your continued support and dedication to a Catholic education. You have learned & you have committed by studying & learning and growing in knowledge; you have learned it by working hard throughout the school year. This year we had significant changes such as our WASC visit, that opened new doors for improvement and brought our community closer together. We've had successful fundraisers which would not have been possible without our dedicated parents and teachers.
