Dear Parents,

Can't believe we are now counting the days before school closes. Imagine eight graders have 23 days left before graduation and 29 days to our lower grade students. Look how time flies!

How's our spring / Easter break? Surely, everyone had a good time with the family gatherings. This is what we love about spring break, it makes us more pleasant to spend outdoors and inspire us to be more active, which benefits our mental and physical well-being. It boosts our mood and energy level. No wonder we have the month of May packed with school activities. Here they are:

- May 1 - 23 - STAR WINDOW 3
- May 1 - Chick – fillet fundraiser (PTO)

- May 10 - First Communion @ 10:00am (Second Grade)
