4 January 2023

Dear Teachers and Parents,

Happy New Year!

I hope that this letter finds you all enjoying the start of 2023, with a positive and brighter outlook for the coming days ahead. The past years might have come with so many challenges and setbacks but the Lord never left us. We were protected and strengthened by God's blessings and Mother Mary's aid.

Having said that, and the reason of this letter is to acknowledge that great efforts and leadership of Sister Carmen Fernandez, as Principal of St. Martha School for the past 6 years. She has done so many wonderful things for our School and our Children. But because her personal health is our concern, she asked me to appoint another Principal to take her place. In doing so, she volunteered, that she will still be available to help if needed in the classroom.

With this I would like to formally announce the **Appointment of Mrs. Amelia Martinez as Principal of St. Martha School**, effective upon the release of this notice. Please extend your love, support and respect to Sr. Carmen and Mrs. Martinez so that we will have a smooth transition in the Office. Mrs. Martinez continues to be the 8<sup>th</sup> Grade Adviser and Teacher and I thank her personally for stepping up on the task at hand and for holding the fort when Sr. Carmen was in the Hospital. We thank Sr. Carmen too and wish her the best of health, complete healing and recovery.

May we all receive the choicest gifts and blessings from God this 2023, both in our School and our own Homes. **May St. Martha continue to bless our good intentions.**

Blessings,

  
Fr. Thomas Frederick Ma. Asia  
Pastor
