

## WELCOME TO SAINT MARTHA SCHOOL

Dear Parents,

Welcome to St. Martha School! Thank you for taking the opportunity to learn about our wonderful school and its outstanding educational programs. Your decision to choose a private, Catholic education for your child will ensure that he/she is able to realize their full potential. St. Martha School is committed to educating the whole child – mind, body and spirit.

The development of the whole person has always been the focus of Catholic education. The faculty and staff, as partners with the parents, contribute significantly in this educational ministry as daily witnesses to the meaning of mature faith and Christian living.

Classes at St. Martha have always been conducted in an environment which allows for maximum academic achievement. Students have always been encouraged to develop a healthy concern for the well-being of others as well as a sense of personal responsibility. The ideals and goals envisioned by the first students, families, faculty and staff of St. Martha School are alive today and, with the grace of God, will live on into the future.

Through this website you will glimpse the joy and vibrancy that has animated education at St. Martha School since its founding in 1960. Over the years the legacy of St. Martha School has grown more and more brilliant with the wonderful souls who have graced her premises. St. Martha School is a vital example and witness of faith in the community. The school has always endeavored to offer high quality academic programs which are integrated with Christian truth and values.

I encourage you to find out more about St. Martha School, whether through the pages of our website, talking to friends and our current parents, or by visiting our campus. We would treasure including you and your children as member of the St. Martha family, as we continue our tradition of excellence in education through the twenty-first century.

In Christ,

*Sister Maria Carmen Fernandez-Aldudo R.A.D.*
