

November 24, 2025

Dear Parents,

Thanksgiving is celebrated to give thanks for a successful harvest, with its origin tracing back to a 1621 feast between Indians and English settlers. Today, it is a national holiday for us to gather with family and friends to express gratitude, enjoy meals and give thanks for all our blessings.

On this special day, we look back over the year and we pause to review what we have done and for all that we have – for the blessings that we have enjoyed. Yes, we are very thankful to you parents for all your help and support, for every fund raising we have and for choosing St. Martha for your children's Catholic education.

We are thankful for all our teachers and staff, such a fine group of professional educators who work so diligently and keep our school running smoothly. And I look forward everyday to the joy of working with them.

I think of you parents and I am most thankful that we will continue to have a relationship over the next year that will allow us to grow even closer together.

We are thankful for this school, this place that welcomes students and makes room for growth and encourages learning on all levels. This place that cares for our students, a place where education is honored and students are nurtured.

We are thankful for the Sisters of the Love of God for their support and helping hands, for all their prayers to keep us protected. For Father Thomas, Father Roberto, Msgr. Carroll, Deacon Jesse and Deacon Tony for their spiritual mindfulness as they celebrate Masses, and prayers for all our intentions.

Early dismissal: Wednesday Nov. 26th at 12:00pm, no daycare will be available

School will resume on Monday December 1st

“REJOICE ALWAYS, PRAY CONTINUALLY, GIVE THANKS IN ALL CIRCUMSTANCES FOR THIS IS GOD'S WILL FOR YOU IN CHRIST JESUS.” 1Thessalonians 5:16-18

Peace and Blessings,

Mrs. A. Martinez

Dear Parents,

We would like to inform you that our 7th grade teacher, Mr. Solorio, will be leaving our school. While we are saddened to see him go, we are grateful for the dedication, guidance, and support he has provided to our students during his time here. We thank him for his hard work & positive impact on our school community. We wish him the very best in his future endeavors.

We want to assure you that we are actively working to find a qualified replacement. In the meantime our principal Mrs. Martinez, who holds a Masters degree in English Literature and has extensive experience in the subject will be taking over the 7th grade class to ensure continuity and support for our students. We appreciate your understanding as we work to ensure a smooth transition for our 7th grade students.

Peace and Blessings,

Mrs. A. Martinez
