

St. Martha School
Service Hours Program
2019-2020

Each family is required to work 25 School Service Hours, 10 Fiesta Hours, and 4 days of Lunch Yard Duty from 12:00 - 12:40 pm. The purpose of the Hours is to help us keep the school costs down; this is of great importance to you as parents. We ask that you fill in the portion asking for your line of work so that we may call on you when we need help in your area of expertise. This too will go toward your Service Hours. Please go over the list of school functions that will be available next year that might be of interest to you at the present time. Other school functions will become available during the school year.

For the safety of the children, the Los Angeles Archdiocese is requiring that all parents/guardians involved in the school activities (as volunteers) get fingerprinted and attend Virtus training.
