Dear Parents,

May you have a blessed and joyful Easter!

St. Martha wishes you a blessed Easter. May these holy days fill your heart and renew your hope as we journey with Christ through the season.

Amidst societal upheaval and educational instability, Catholic Schools have emerged as beacons of stability. Enrollment has remained stable, but still we provide an enduring commitment to faith - based education. These holy days Easter break hold deep significance for those of us in the Catholic faith, reminding us of the profound love, sacrifice and renewal symbolized by the life, death and resurrection of Jesus Christ.

Things are getting busy with us, with close to the end of school year, just a few short months away or ten weeks to go. What's on our list to review or replenish.? This Friday, Report Cards go home. Go over with your child's grades, review what subjects need improvement, what skills need to be strengthened in eight weeks, for the last quarter. Commend your child in having good grades, for working hard and putting forth the effort to raise the grades. Tap on his/her shoulder and say, "good job, keep up the good work". You could drive him/her to Mc Donald for a treat. Give a free time to play his favorite game. A lot of incentives to help your child boost up his/her studies. Here are the APRIL events or activities of the month:

April 10 - 4<sup>th</sup> Grade visits to SETON INSTITUTE for women to bring St. Martha's donation

April 11 - NO SCHOOL / FACULTY STAFF PROFESSIONAL DEVELOPMENT

April 12- MOTHER & SON DANCE

April 13 - First Communion Parents RETREAT @ McNamara Hall 9-12:30pm
